Tom,

I have a hard copy of the chlorpyrifos Risk Assessment being delivered to your office today. I've attached an electronic copy to this email and the link as well. I understand you are going to the SOT on Monday. I will be there for a few hours. Linda Birnbaum and I are on a panel called "meet the Directors" at 1:30 Monday. I'll be talking as a customer and Linda as a supplier. I hope to see you there. Thanks for taking a look at this. Jim
